True German Spirit.

Mr. F. Hecker, one of the Fremont State electors, being prevented from attending the Belleville ratification meeting, on account of ill health, wrote to the committee:

As soon as I shall be able barely to stand up, even if my health be not fully restored, I will speak to the people of St. Clair and the adjoining counties on the great question of the day; and that I will endeavor to show how the house of the German name and the German nation, how hatred against aristocratic pretensions and tyranny, render it the holy, the unavoidable duty of every man of the German tongue to enter the lists against slavery and slavery; how only the most sophistical, and the most forced perversion of the freest Constitution of the freest country can assert such a claim; that it establishes Slavery as the rule, and freedom as the exception; how those only maintain and faithfully the spirit and the letter of the Declaration of Independence and the Constitution, a blessed gospel for the oppressed and enslaved nations of the earth, and carrying its banner without a stain over all the globe. Desiring you to consider me as voting with those who indorse the Philadelphia platform, and the ticket nominated upon it, and no less with those who support the resolutions adopted at the Bloomington State Convention, and the State ticket, I sign myself.

Yours respectfully,

F. HECKER.

Stevens Pt. Items.

We glean the following items from the Stevens Pt. Press of the 17th inst.

Arrangements have been made, we understand, for erecting an iron foundry at this place and putting it in operation immediately.

A new town has been laid out at Grand Rapids on the West side of the River, and christened the euphonious name Centralia.

The U. S. Register's Office is daily crowded with applicants for township plats. The woods are thronged with land lookers. Settlers on government lands are busy clearing, building cabins and filling pre-emption declarations.

Stop That Bufl.

A paragraph has appeared in a good many Buchanan papers, credited to the *National Era*, in which a calculation is given into to show how many Northern States are to go for Buchanan. The *National Era* never contained any such paragraph. Neither the editor nor any of his correspondents ever made any such calculation. So far from it, we think Fremont's chances are good for carrying all the free States except California. — *National Era*, July 17th.

Hunker press, please copy.

Hannan — The Tremont House in the Third Ward was entered, a few nights ago at a robbery of \$50 in cash, a gold watch, gold chain, a pair of ear rings, and other articles. The bad lord offers a reward of \$50 for the restoration of the property, and \$25 for the apprehension of the thief.

ACCIDENT.—A man engaged in raising the cargo of the schooner *Perseverance*, had his hand badly mangled by the breaking of a cable, on Saturday last.

PAINTINGS.—Mr. R. A. Clifford has fitted up rooms over Van Cott's, where he can show some very fine paintings—portraits and landscapes. Mr. Clifford has kept steadily at work for years, and though still a young man, has produced many pieces of decided merit. He has been very successful in taking good *likenesses*, and is really worthy of public patronage. Let the buyers of art call at his room, and judge for themselves. See his advertisement.

GAS PIPES.—The Propeller *Evergreen City* arrived here from Cleveland yesterday with 290 pieces of Gas pipe.

WE ARE INDEBTED TO A Wilson for the August number of Harper's Magazine. A capital number. Harpers are always a little slow.

REAL ESTATE SALES SATURDAY.—Mr. J. S. Fillmore, Land and Collecting Agent, No. 2 Jansen Block, reports the following registered sales of real estate:

FIRST WARD, West lot 1 and 2 in Hubbell & Pearson's Ad., \$1,000.

THIRD WARD, 1,050.

FOURTH WARD, 2,000.

5th & 6th, 1,100, 4,000.

FIFTH WARD, 7,000.

TOTAL \$6,000.

MANITOWOC AND MISSISSIPPI RAILROAD.—The Manitowoc Herald says, we are informed, on reliable authority, that the contractors, Messrs. Barker & Hoos, have purchased of an eastern manufacturing establishment, a locomotive, and six platform cars. They are now negotiating for a portion of the iron.

It also says: The citizens of Manitowoc are indebted to Capt. Goodman, of the steamer *Harriet*, for a very important favor. Since he commenced running his boat regularly from Milwaukee to Two Rivers, he has brought us a daily mail without compensation.

SERIOUS ACCIDENT.—We learn from the Madison Argus of Saturday that the Scudding of Van Bergen's new block fell this morning, precipitating to the ground a mason by the name of BYAN, an apprentice who is working for Mr. LIVSEY. Both were seriously hurt.

It is rumored that BYAN is since dead.

The re-building about the new house in progress for Mr. J. WHITRE, fell yesterday, by which two workmen were considerably injured.

FIRE IN LOWELL.—*Biwald's Mill Burned* — The Dodge Co. Citizen of the 18th inst., says that on Friday night last, the flouring mill of W. T. Biwald, situated near the village of Lowell, in that county, was set on fire by some miscreants, and before anything could be done to check the flames, it was burned to the ground. The mill was not insured.

ANOTHER DAILY AT BEAVER DAM.—Mr. Culliton, editor of the Dodge County Citizen, announces that he will commence the publication of a daily paper on Wednesday or Thursday of this week. We hope the people of Beaver Dam will give it a good support.

THE NATIONAL ERA speaks in very high terms of its letter of Col. Fremont accepting the nomination of the Philadelphia Convention.

THE LITTLE SUN-BEAM is monthly just issued in this city, chiefly for juveniles, at the low price of twenty-five cents per year. It is a fine column paper filled with interesting matter, published by E. Porter Little, and can be had at Terry's Book Store 196 East Water St.
